In Switzerland alone

100’000

theses <u>every</u> year

studyond

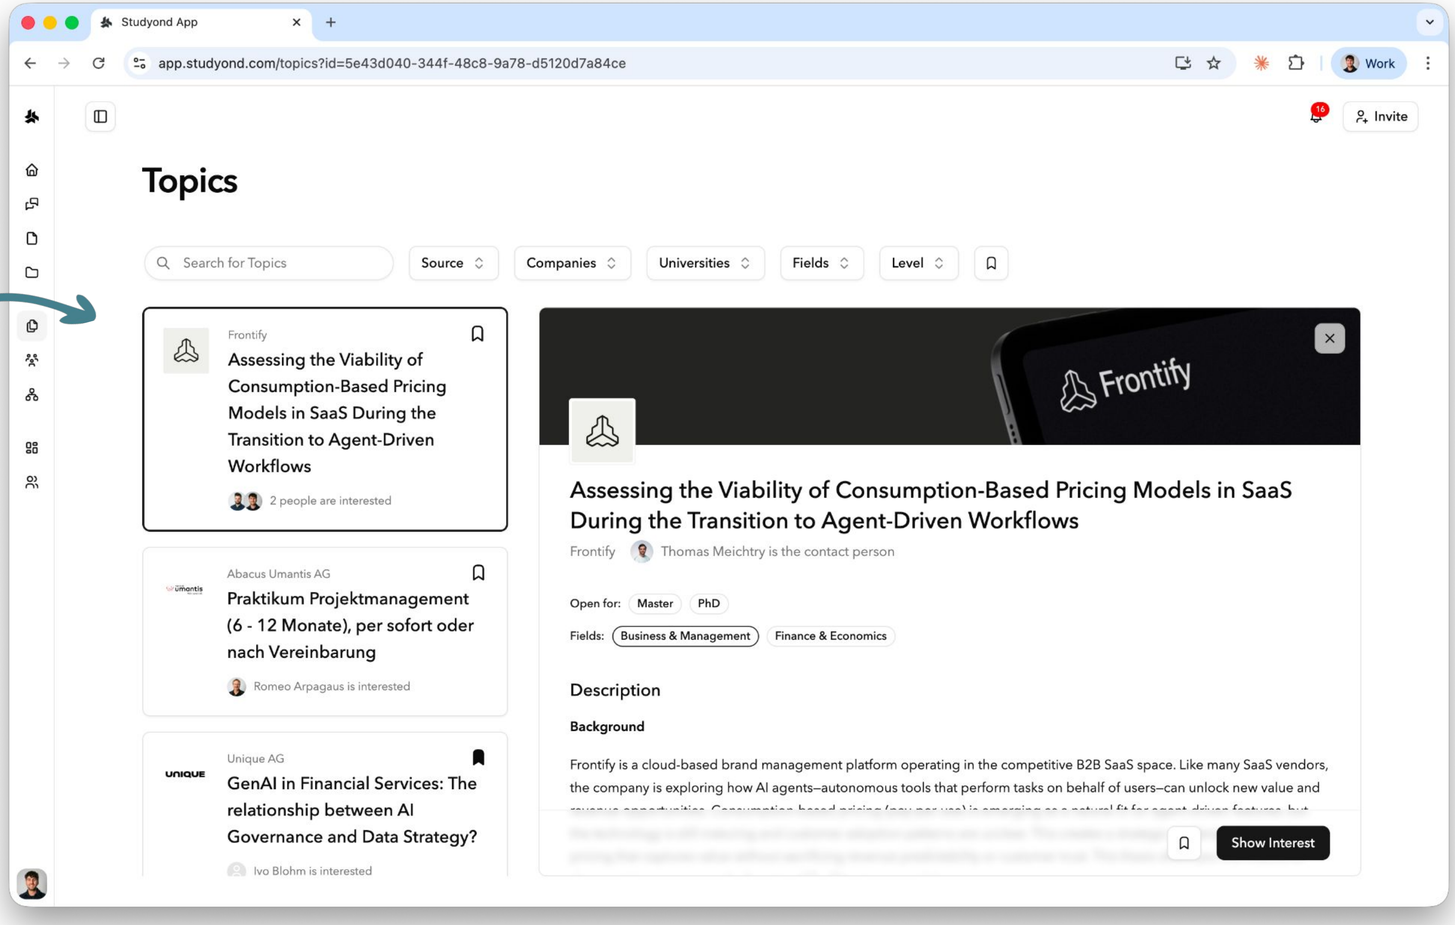
real-life challenges

We connect **companies** with **students** and **researchers**

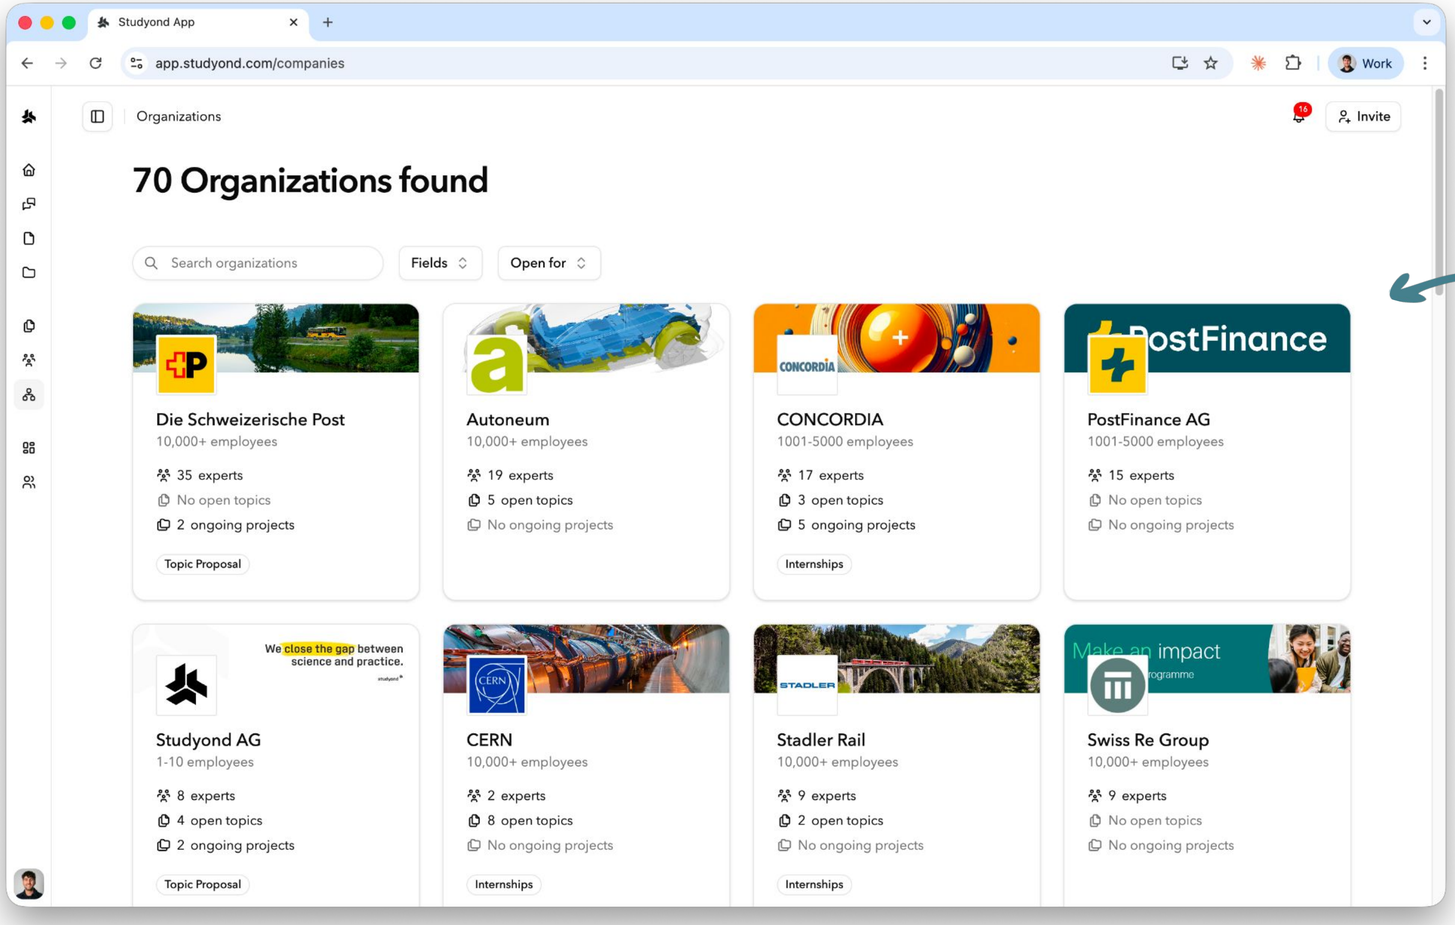
You?

Nearly 10’000 **live topics** …

All topics
in one place



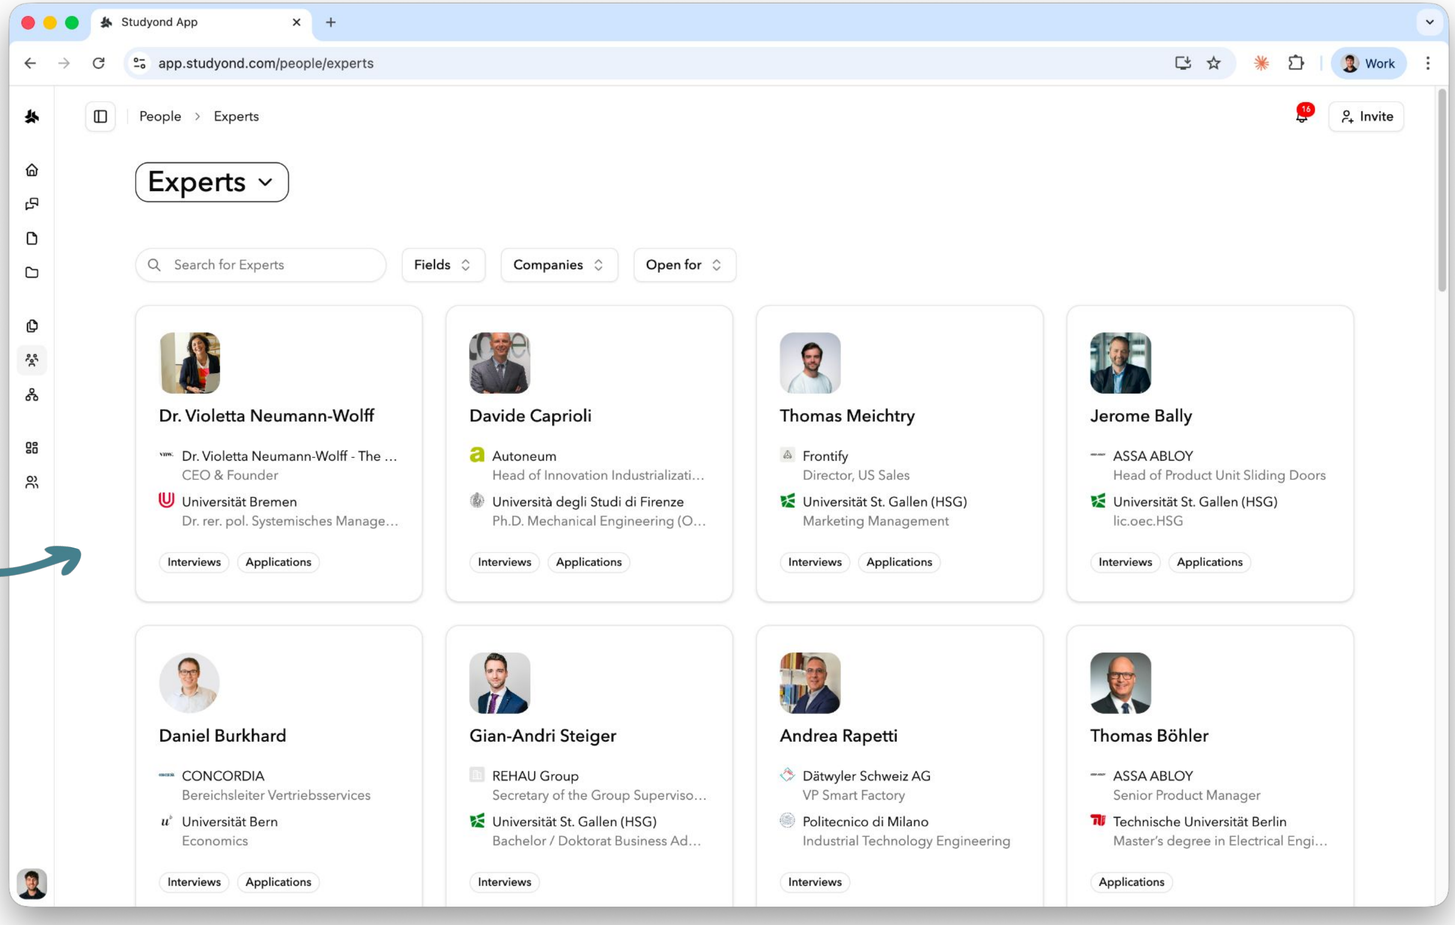
… from hundreds of **organizations**, …



Looking for fresh insights

… **supervisors**, and **company experts.**

Available for interviews



Our challenge for you

Rethink **thesis projects** in the Age of AI.

What **we provide** you with

Don’t waste time creating
mock data - we’ve prepared it

For context: Connect your LLM directly
to our “**Studyond Brain”** (MCP)

For the backend guys among you:
Use our **AI-friendly design guidelines**

Together we can shape the future for thousands of students

Build the thesis journey **you wish** existed.
